Important notice to all potential customers regarding device serial numbers with PV

We are still investigating a situation in which some people are selling pirated, stolen or falso SCIO Devices and falsely advertising them.

This is especially true of Jorg Kunde who is stating on his website "Be informed that the serial numbers on the box must have a serial number with PV on it." Mr Jorg Kunde goes on to say that his company (SCIO Europa) is the only original distributor in Germany and that they purchase from the Hungarian manufacturer. These are lies to trick you into purchasing his false device.

Mr Jorg Kunde is offering lower prices on his false device with the serial number PV. Purchasing this is not purchasing the real SCIO Universal Electrophysiological Biofeedback System. We are currently in contact with the Competent Authority of Germany as well as our lawyers regarding Mr Jorg Kunde. One of the possible actions of the Competent Authority is to demand a recall of the SCIOs sold by Mr Jorg Kunde.

To find the list of Brokers who are contracted to sell the SCIO Universal Electrophysiological Biofeedback System, please go to our company's website www.qxsubspace.com and under Representatives you can find a list of our Contracted World Brokers. You can get the real SCIO from any of our Contracted World Brokers.

To get the medical software for your SCIO Universal Electrophysiological Biofeedback System, customers need to go to www.qxsubspace.com and set up their account with us based on their serial numbers. A serial number with PV cannot be registered for the medical software.

If you have any further questions, please feel free to contact me anytime.
